CANADA LTD.

... celebrating 100 Years of Continuous Mining and
the dawn of a new and exciting project - Hoyle Deep

Porcupine Gold Mines is in the process of a Major Capital Expansion project at its Hoyle Pond Mine. The Hoyle Deep Project includes the development and construction of a new 1800m deep internal shaft (winze) as well as upgrades to the existing No. 1 Shaft. The new winze will extend to a depth of 2200m and it is expected that the project will be completed over a 4 year time period. The mine is a high grade narrow vein underground gold mine which has been operating continuously since 1985 and has produced 2.6 million ounces.

CONTRACTS ADMINISTRATION MANAGER

Responsibilities:

Overall management of all Hoyle Deep Project contracts including mining, construction, equipment purchases including hoist refurbishments and general consumables.

- Assist in the preparation of contracts and tender documents for the project.
- Manage and track the execution of all contracts between vendors ensuring contractual obligations are met.
- Oversee the management of warehouse and purchasing operations including the procurement, transportation, storage and delivery of all goods and materials.
- Manage a team of warehouse and supply chain employees.

Qualifications:

- Bachelor's Degree in Business, Supply Chain Management or an equivalent combination of education, training and business experience.
- Minimum 7 years experience in procurement and / or contracts management directly related to large mining expansion projects.
- Combination of 10 years experience at a senior managerial role within a large expansion project.
- Exceptional analytical, negotiation and problem solving skills.
- Strong leadership, organizational, communication and interpersonal skills are essential.
- Must have strong PC skills including Microsoft Office.

Interested applicants are invited to submit their resume by January 24, 2010.
