CANADA LTD.

... celebrating 100 Years of Continuous Mining and
the dawn of a new and exciting project - Hoyle Deep

Porcupine Gold Mines is in the process of a Major Capital Expansion project at its Hoyle Pond Mine. The Hoyle Deep Project includes the development and construction of a new 1800m deep internal shaft (winze) as well as upgrades to the existing No. 1 Shaft. The new winze will extend to a depth of 2200m and it is expected that the project will be completed over a 4 year time period. The mine is a high grade narrow vein underground gold mine which has been operating continuously since 1985 and has produced 2.6 million ounces.

PROCUREMENT COORDINATOR

Responsibilities:

Oversee the daily management of warehouse and purchasing operations including the procurement, transportation, storage and delivery of all goods and materials required for the Hoyle Deep project.

- Supervise warehouse and supply chain employees
- Coordinate and maintain inventory / supply needs for the project team
- Monitor project procurement deliveries, update schedule and assist in development of contingency plan
- Complete inventory reports for all project materials
- Ensure compliance to the Occupational Health & Safety Act as it relates to designated substances under WHMIS and Transportation of Dangerous Goods

Qualifications:

- Degree / Diploma in a Business Program or equivalent experience
- Minimum 5 years experience in procurement and warehousing
- Inventory Control experience required
- Strong organizational, communication and interpersonal skills
- Must have strong PC skills including Microsoft Office.

Interested applicants are invited to submit their resume by January 24, 2010.
