

## HUMAN RESOURCES BULLETIN

### Career Opportunities

**Title:** IT PROCESS CONTROL TECHNICIAN  
**Location:** SOUTH PORCUPINE, ONTARIO, CANADA  
**Reports to:** INFORMATION SYSTEMS COORDINATOR  
**Schedule:** 5 X 2 (8 hours)  
**Date:** January 6, 2010

**Responsibilities:** The successful candidate will implement, document and coordinate operation enhancements to the process control systems and communication/training infrastructure. The incumbent will also provide technical support and troubleshoot operational problems with the operations and maintenance personnel.

**Qualifications:** The incumbent will possess a Degree/Diploma in the Electrical Engineering / Control Systems field with a minimum of five years relevant experience. Software experience with WonderWare, Allen Bradley, Modicon, Rockwell RS Logix and GE Proficy applications would be a definite asset. Strong focus on safety, excellent written and verbal communications as well as effective diagnostic skills are essential. The individual must also have excellent inter-personal and organizational skills, proficiency in Autocad and be an independent self-starter, while working on a high performance team.

Employees interested in this position should send their resume to Cheryl Monahan, Human Resources Coordinator, Fax (705) 235-6743 by **January 17, 2010 or e-mail at [pgm.hr@goldcorp.com](mailto:pgm.hr@goldcorp.com)** and notify the Human Resources Department at their present location. If you have any questions, please call (705) 235-6553.
